## 2024 NASA Student Art Contest

In partnership with the National Institute of Aerospace 

The combination of art, science, and technology can be seen all around us. This year's NASA Student Art Contest encourages students K-12 who are residents of the United States to discover new ways to connect those dots.

This contest opens on December 1, 2023 and will accept artwork submissions in accordance with the rules through December 31, 2023.
